Services

At MEDesign, we combine creative design, strategy, and data-driven marketing to help healthcare brands grow with purpose

Logo Design

Crafting unique and memorable logos that represent the essence of your medical brand, ensuring it stands out in a competitive market.

Brand Identity Development

Building cohesive brand systems, including logos, color palettes, typography, and design guidelines, to establish a strong and consistent visual identity.

Website Design & Management

Creating responsive, user-friendly websites tailored for the healthcare industry, paired with ongoing management to ensure seamless performance and updates.

PPC (Pay-Per-Click) Advertising

Designing targeted and compelling social media advertisements that drive engagement, attract new patients, and boost your brand's online presence.

Professional Medical Photoshoot

Delivering high-quality photography services to showcase your facilities, team, and services with professionalism and authenticity.

Content Creation

Producing engaging and informative content —ranging from videos to graphics—that resonates with your audience and reflects your brand's values.

Social Media Management

Curating and maintaining your social media presence through strategic planning, consistent posting, and real-time engagement with followers.

Brochures & Flyers

Designing professional print materials that effectively communicate your services and brand message to your target audience.

Content Marketing

Developing and executing content strategies that educate, inform, and engage your target audience while building trust and authority in the healthcare space.

CUSTOM

Need more? We'll create a Program that's just right for you. Precision-crafted solutions tailored to your unique brand needs. Elevating your digital experience and evolving your digital marketing strategies to drive radical results.

About

We're not just another marketing agency—we specialize in the medical field. With deep industry understanding and creative excellence, MEDesign delivers results that elevate your brand, attract patients, and strengthen your digital presence in the competitive healthcare market.

OUR JOURNEY

Our Story

MEDesign was **founded by Eyasu Kebede in 2022**, a visionary with over **three years** of experience in medical design and marketing.

With a passion for blending creativity and healthcare expertise, Eyasu established MEDesign to address a critical need: **helping healthcare providers communicate their services effectively** in an increasingly digital and patient-focused world.

Today, MEDesign serves as a trusted partner for hospitals, clinics, wellness brands, and healthcare businesses across Ethiopia, offering comprehensive solutions that drive growth and patient engagement.

OUR FOUNDATION

Mission & Values

What drives us to deliver excellence every day

Our Mission

To empower healthcare organizations with innovative digital solutions that enhance their brand presence and patient engagement.

Patient-Centered

We design with patients in mind, creating experiences that build trust and make healthcare more accessible.

Excellence

We maintain the highest standards in every project, delivering quality that exceeds expectations.

Collaboration

We work closely with our clients as partners, understanding their unique needs and goals.

Why Choose MEDesign?

Healthcare Expertise

Deep understanding of the healthcare industry, patient psychology, and medical communication standards.

Local Market Knowledge

Extensive experience in the Ethiopian healthcare market with proven strategies that resonate locally.

End-to-End Solutions

From brand strategy to execution, we handle everything so you can focus on patient care.

Measurable Results

Data-driven approach with clear metrics and regular reporting to track your marketing ROI.
